XdB™ XTREME DYNAMIC BASS

ALTEC LANSING®

POWERED AUDIO™

SMART FEATURES TO BASS YOUR PURCHASE ON

Get full-bodied sound with bass you can feel for your PC. The VS2321 features accessible controls and a cable management system on the back of the subwoofer that lets you stow your excess wire away. Best of all, it fits on your desktop and within your budget.

VS2321

Big Sound in a Small Footprint
Specially engineered full-range neodymium speakers smoothly deliver a full spectrum of pure, distinct sound with unprecedented signal accuracy.

High-Quality Bass
Feel the low frequency bass from the XdB-enhanced ported, front-firing, long-throw subwoofer set in a solidly built wooden cabinet.

SFX Technology™
Sound Field Xpander Technology™ delivers a wider stereo image for bigger sound at the touch of a button.

Versatile design
Looks smart in any room of your home. Plus, the subwoofer's upright or on-its-side design fits anywhere.

Easy Set-up
Color-coded cables and a cord management system ensure you'll be up and running in seconds.

Ultra-Convenient Controls
There's no need to search around when you're ready to plug in or power up. The VS2321 puts everything you need on the right speaker:

Built-in Controls
Include power on/off, volume, as well as the SFX switch.

Headphone Jack
For private listening.

Secondary input jack
Connect two different audio sources – your MP3 or CD player – at the same time.
